

Help Us Fund-A-Dream!

Thank you to all those who have already donated!
If you were not able to attend the auction, but would like to make a contribution to this year's Fund-A-Dream, it is not too late!

Enhance our campus and Increase our curb appeal

A question that so many of us hear too frequently while spreading the word about our school is, "Where is Saints Academy?" In response, most will pick a landmark such as Henry's, Dairy Queen, or the school across the street to help people visualize where we are. Part of this year's Fund-A-Dream is to increase our curb appeal. We want to define our entrance on Cabot St, add signage to mark our location on Cabot and New Balch Streets, and enhance the beauty of areas we already have in use. This will assist us with our enrollment goals allowing prospective families to "See" us while also increasing our aesthetic appeal.

As much as some of our students may appreciate a new wall or some eye-catching signs, they would rather have some things they can use. We want to expand our playground to include new items for all ages as well as more structures and playground pieces for our little ones.

We want to build up our outdoor dining space by adding more picnic tables. We would also love to be able to incorporate some shade for our play areas. Enhancing

our campus allows our whole community to positively enjoy the amazing grounds we have.

Please consider donating to our Fund a Dream. Your contribution, no matter the amount, does make a difference. Your gift is tax deductible, to the fullest extent of the law. Please check with your company as many are matching donations to nonprofits.

If you have any questions, please do not hesitate to reach out to Alicia Carrigan, acarrigan@saintsacademy.org.
